RE: Ryals v. HireRight Solutions, Inc.  
Civil No. 3:09-cv-00625-JAG-DWD

Dear Judge Gibney:

I am writing with regard to the above-referenced matter. As the Court recalls, it tentatively approved the class settlement pending a decisions on class counsel's petition for attorney fees and costs.

We were contacted today by the Class Administrator and I have enclosed it's correspondence summarizing that contact.

I remain appreciative to the Court's time and consideration in this regard and can be immediately available by telephone or otherwise if the Court believes class counsel should take any action in response to the Class Administrator's communication.

Respectfully submitted,

Leonard A. Bennett

**Re: Ryals v. HireRight Solutions, Inc. Distribution Costs**

Dear Len:

As you may know, the United States Postal Service has announced a change to their postal rates effective January 22, 2012. In that regard, we wanted to inform you that this increase could have an impact on the distribution of the Ryals v. HireRight Solutions, Inc Settlement Fund.

Pursuant to your original instructions, our current plan is to mail the distribution checks using a postcard so as to save on postage. Prior to this upcoming increase, the standard postcard rate is \$0.29. However due to our presorting capabilities the current discounted rate is \$0.235 per check. Effective January 22, 2012 the standard rate is increasing to \$0.32. Although we are still awaiting determination of the discounted rate from the Postal Service we believe it will be in the neighborhood of \$0.28.

Just so you are aware we currently anticipate a distribution to approximately 682,000 class members. This will result in additional postage of approximately \$30,000.00. If you want to attempt mailing the checks prior to the postal increase, it seems that an order must be signed early next week.

Very truly yours,
